

IDDP Admissions Information Guide 2020-2021

APPLICATION DEADLINE: February 1, 2020

I. GENERAL INFORMATION

The College of Dentistry at the University of Saskatchewan offers a fully accredited 2-year International Dental Degree Program in conjunction with the 4-year Doctor of Dental Medicine (DMD) program. This document provides information for applicants seeking admission for 2020-2021. **NOTE:** admissions requirements are subject to change from year to year. Applicants are encouraged to refer to the Dentistry website for the most accurate information: <https://admissions.usask.ca/international-dentistry.php>.

II. ELIGIBILITY REQUIREMENTS

A. Academic Requirements

1. Completion of a degree in a dental program from an academic institution not recognized by the Commission on Dental Accreditation of Canada (CDAC).
2. Completion of the Assessment of Fundamental Knowledge (AFK) examination of the National Dental Examining Board (NDEB) **within 3 years** of the application deadline.

B. Dental Aptitude Test

All applicants are **NOT** required to have completed the Dental Aptitude Test (DAT).

C. IDDP Assessment of Clinical Skills Examination and Interview

Applicants may be selected to participate in the IDDP Assessment of Clinical Skills Examination and Interview. Selection of applicants will be based on AFK score. Clinical and/or academic experience, as detailed in the required Letter of Application, will be the secondary criterion used for selection between applicants with equal AFK scores. A maximum of 30 applicants will be invited to participate in the IDDP Assessment of Clinical Skills and Interview with a maximum of 5 positions reserved for residents of Saskatchewan. Applicants will be assessed on clinical skills as well as communication skills in a clinical setting using the common North American dental vernacular and a formal panel interview.

There will be a \$1000 CAD fee for the IDDP Assessment of Clinical Skills Examination and Interview.

The assessment and interview will be conducted at the University of Saskatchewan College of Dentistry in Saskatoon over a 3-day period. The interview will be conducted as a traditional panel interview.

D. English Language Proficiency

The language of instruction at the University of Saskatchewan is English. All applicants must present evidence of proficiency in English per the University of Saskatchewan acceptable levels of academic English. Please refer to the following website for the acceptable tests of English language proficiency:

<https://admissions.usask.ca/requirements/english-language-proficiency.php>.

*Please note acceptable tests of English language proficiency and/or minimum required scores are subject to change from year to year. Please ensure you refer to the website for the most accurate information.

E. Criminal Record Check

Self-declaration of an adult criminal record is required of all applicants on the application form. Applicants accepted into the program are required to complete and submit a Criminal Record Check with Vulnerable Sector Screening *after* the date of offer and no later than **May 1**. There are currently some Canadian provinces that will not license a dentist to practice if they have a criminal record. Applicants are encouraged to contact the respective provincial dental association for further information.

F. Immunization Requirements

Successful applicants must comply with the University of Saskatchewan's policy on immunization, which states that all students attending a health science college must provide documented proof of immunization. Immunization records for accepted applicants must be received by the date stated in the letter of offer.

III. CATEGORIES OF APPLICANTS

The College of Dentistry admits up to 3 students to the program each year. Applicants must be graduates of a dental degree program at a foreign institution which is not recognized by the Commission on Dental Accreditation of Canada. Applicants must be citizens of Canada or have permanent residency status (landed immigrant) on the date of application. A minimum of one (1) space is reserved for residents of the province of Saskatchewan, the remaining spaces for other applicants regardless of residency.

A. Saskatchewan Residents

To be eligible as a Saskatchewan resident, applicants must have resided in Saskatchewan for at least FOUR years immediately prior to September 1 of the year admission is being sought. For 2020-2021, applicants must have resided in Saskatchewan since September 1, 2016. Applicants who have left the province, but previously lived in Saskatchewan for an accumulated period of 15 years (permanent residency), will be considered residents. Applicants who have previously lived in Saskatchewan for an accumulated period of less than 15 years and who do not qualify under the four-year requirement will receive credit of one year toward the four-year requirement for every four years of residency in the province. **There are NO EXCEPTIONS to the four-year Saskatchewan residency rule.**

In order to support a claim as a resident of Saskatchewan, the following proof and circumstances will be taken into account:

- **Date of issue** of your Saskatchewan Health Card¹ **AND** either the date of issue of your Saskatchewan Drivers' License² **OR** Saskatchewan Income Tax Forms confirming taxes paid in Saskatchewan.
- Applicants who have completed four years of full-time study at a Saskatchewan post-secondary institution immediately prior to the year admission is being sought are considered Saskatchewan residents. Official transcripts must be submitted by the document deadline to support this claim.
- Reasons for any break in continuity of residence, which includes attendance at an out-of-province educational institution, summer employment where applicable and any other reason deemed to be relevant
- Saskatchewan high school transcript (if you are NOT currently registered at the University of Saskatchewan) or
- Resident of the Yukon, Northwest or Nunavut Territories.

¹ If the date of issue of your Saskatchewan Health Card is newer than the original date of issue, a letter from Saskatchewan Health confirming the date of issue is required.

² If the date of issue of your Saskatchewan Drivers' License is newer than the original date of issue, a Drivers Abstract is required.

B. Canadian Applicants

Applicants must be graduates of a dental degree program at a foreign institution which is not recognized by the Commission on Dental Accreditation of Canada. Applicants must be citizens of Canada or have permanent residency status (landed immigrant) on the date of application.

IV. SELECTION CRITERIA

It is the duty of the Admissions Committee to select applicants that have the ability to succeed in the program. The Admissions Committee reserves the right to review the applicant's entire application submission, including all written/verbal communication with the College of Dentistry, and to deny entry to applicants whose academic background or history indicates a diminished probability of success.

Selection is based on performance at the IDDP Assessment of Clinical Skills Examination and Interview as follows:

1. **Assessment of Clinical Skills (60% overall weighting)**
2. **Assessment of Communication Skills in a Clinical Setting (25% overall weighting)**
3. **Interview (15% overall weighting)**
