## Saskatchewan transcripts

Saskatchewan high school students must request transcripts to be sent directly to the University of Saskatchewan by the Ministry of Education. When submitting your transcript request, remember to select:

- as soon as possible,
- after January exams 2021, and
- after June exams 2021

to arrange for your transcripts to be sent automatically as they are available.

Note: Subject list may not be exhaustive. Additional courses may be eligible for use.

\* Subjects that can only be used in an admission average calculation for specific colleges cannot be used for consideration for non-college-specific awards (e.g. Guaranteed Entrance Scholarships). Additionally, they are not considered to satisfy prerequisite requirements. If you have questions about a class not listed above contact us at [admissions@usask.ca](mailto:admissions@usask.ca).
