- Grade 12 (senior-level) Biology
- Grade 12 (senior-level) Chemistry
- Grade 12 (senior-level) Physics
- Grade 12 (senior-level) Mathematics (pre-calculus recommended)

MINIMUM YEARS OF STUDY PRIOR TO APPLICATION

3

YEARS OF STUDY FOLLOWING ADMISSION

4

In order to be considered for admission, applicants must complete three 30 credit unit years of university coursework towards the requirements of an undergraduate degree with a minimum cumulative weighted average of 75% over the two best years and a minimum overall average of 70% in the required university-level pre dentistry courses. All pre-dentistry course work must be completed by the end of April of the year in which admission is being sought. Applicants must also complete the Dental Aptitude Test (DAT) and multiple mini-interview as part of the selection process. Eligibility is weighted on academic average (65%), the DAT (15%) and interview (20%).

*The College of Dentistry will be changing the pre-dentistry courses required for the program for the 2020-2021 admissions cycle. Applicants will be required to complete NUTR 120.3 and BMSC 210.3 (or their equivalents) and PHYS 117.3/125.3 will no longer be a requirement. These changes DO NOT apply to applicants for the 2019-2020 admissions cycle.
