

Tuition and Student Fees

Tuition

Tuition for most undergraduate programs at uSask is calculated by adding up the cost of each individual class in which you enroll. For many programs, there is a wide range of classes from which you can choose. This flexibility means you can set your own schedule and decide how many classes to take.

The following estimates reflect the average tuition you may expect if you enroll in a full course load (the maximum number of courses allowed) in your first year.

	COLLEGE	CANADIAN STUDENTS	INT'L STUDENTS
TUITION	Agriculture and Bioresources	\$6,121	\$15,915
	Arts and Science	\$6,103	\$15,868
	Education	\$6,134	\$15,948
	Edwards School of Business	\$7,411	\$19,269
	Engineering	\$8,172	\$21,247
	Kinesiology	\$6,106	\$15,876

2017-2018 tuition estimates for Fall and Winter Terms (September-April) are represented. International undergraduate tuition rates are 2.6 times the rate for Canadian citizens and permanent residents.

Student Fees

Student fees are used to fund specific student benefits offered as part of your university education. These include fees to support athletics and recreation programs, student services, health and dental plans, your students' union, and the U-Pass Universal Transit Pass that allows you unlimited travel during the school year with Saskatoon Transit.

GOVERNMENT STUDENT LOANS

In Canada, there are two main categories of government student loan programs:

- the federal program, called the Canada Student Loans Program (for full-time and part-time students)
 - provincial and territorial programs (for full-time students)
- At students.usask.ca/money/loans.php, students can learn:
- how to determine if they are eligible to apply for student loans
 - how to apply for student loans after they have registered for classes
 - how loans work
