Do you want to tackle global challenges and find innovative, real-world solutions that benefit people at home, across the country and around the world?

The University of Saskatchewan (USask) supports students like you to achieve your goals, leading to your success both in and outside of the classroom, during your time on campus and into the future after you graduate.

USask has been breaking new ground in research since 1907, leading innovation in areas of global importance such as agriculture, water and food security, infectious diseases and medical technology through collaborative, creative, interdisciplinary approaches.

Become part of our history of success in addressing the global challenges of our era at a university where you can be what the world needs.

Located on Treaty 6 Territory and the Homeland of the Métis

USask’s main campus in Saskatoon is well known for its architecture and beauty. But it is our diverse students, staff and faculty who create a welcoming environment where different perspectives are valued.

Our culture of learning, growth and deeper understanding extends beyond the classroom. In addition to having the opportunity to work and study at a U15 university, with state-of-art facilities that provide you with the tools for doing cutting-edge research, you will enjoy a high level of support typical of a smaller university.

Whether you join one of our internships or co-op programs, participate in a field class, or enrol in a study abroad or exchange program, you will have plenty of opportunities to customize your goals and aspirations, and to enhance your education during your time at USask.

As you explore USask, you will discover spaces and make connections that define your university experience. From the moment you receive your admission letter, you will share in the sense of pride and community felt by our students, staff, faculty and alumni.

Saskatoon has grown significantly over the past decade, and is now home to about 270,000 people—the largest city in Saskatchewan. As a result of this growth, Saskatoon offers many of the amenities of a large urban centre, along with the friendliness and accessibility of a smaller city.

Living in and exploring Saskatoon is affordable compared to other major cities in Canada. Housing costs in Saskatoon remain comparatively low, as well as transportation costs. As a student, you can take advantage of the reasonably priced unlimited transit pass included in your student fees and get to know the city for yourself.

With its vibrant mix of many cultures, Saskatoon is a place of opportunity, diversity and innovation. As a student here and after you graduate, you will come to appreciate why so many have chosen to call this place home.
In 2020, USask proudly opened the USask Prince Albert Campus, bringing educational programming previously taking place at sites across the city together in a shared location and providing opportunities for many in our university community to reach their goals closer to home.

At the new campus, you will be able to access student services and to connect with students in many different programs.

You can start—and in some cases, complete—degrees in the Colleges of Agriculture and Bioresources, Arts and Science, Education, Kinesiology and Nursing, and the Edwards School of Business.

Prepare for an enriching career and a fulfilling future by taking advantage of the unique educational opportunities available at the USask Prince Albert campus.

**Possibilities in PRINCE ALBERT**

**Campus features**
- BOOKABLE STUDY ROOMS
- BRAND NEW LAB AND CLASSROOM SPACES
- COMFORT ROOM FOR FAMILY AND INFANT CARE
- COMMUNITY DENTAL CLINIC
- GATHERING SPACE FOR CEREMONY

600+ students enrolled in classes in PA in 2020-2021

6 USask colleges offer courses in Prince Albert
Learn where you live

If you live in Saskatchewan, you may choose to learn where you live and complete a few classes or your entire degree at a campus outside of Saskatoon or at one of our off-campus sites.

The University of Saskatchewan (USask) has partnered with Saskatchewan education institutions for over 40 years to provide students with opportunities to study and learn close to home.

In 2020, USask was proud to open the new USask Prince Albert Campus, bringing USask programs in Prince Albert together and providing opportunities for everyone in our university community to reach their goals closer to home.

Today, approximately 1,500 USask students study at USask campuses and off-campus sites outside of Saskatoon through face-to-face, online, independent study and live-streamed classes.

You can begin your USask program and, in some cases, complete a degree without leaving your home community. This flexibility will allow you greater balance with family, work and other life commitments. Smaller class sizes with more student/teacher interaction, program and career counselling, essay writing support, tutorials and course-focused group discussions are available at all locations.
Support for students

USask is an innovative, accessible, and welcoming place for students, educators, and researchers from around the world. As a student here, you will have access to numerous services designed to support you in achieving your goals and to prepare you for an enriching career and a fulfilling life as an engaged global citizen.

Alongside the supports that will be available to you through your college, you will be able to access many individualized services available to USask students throughout the university, including those offered by:

- Aboriginal Students’ Centre
- Access and Equity Services
- Career Services
- Faith Leaders
- International Student and Study Abroad Centre (ISSAC)
- IT Support Services
- Protective Services
- Student Affairs and Outreach
- Student Central
- Student Finance and Awards
- Student Wellness Centre
- University Library
- University of Saskatchewan Students’ Union (USSU)

- USSU Centres:
  - Childcare Centre
  - Food Centre
  - Help Centre
  - Pride Centre
  - Women’s Centre

Our alumni

University of Saskatchewan
The University of Saskatchewan (USask) offers degree, diploma and certificate programs in more than 150 areas of study across our diverse colleges and schools. Explore at ADMISSIONS.USASK.CA.

Admission requirements and deadlines depend on your situation.

- Which program are you interested in?
- When do you want to start classes?
- Is this your first time going to university?

Do your research and apply early to take advantage of benefits such as early admission and access to scholarships.

Ready to apply? Create an account at APPLY.USASK.CA and fill out the online application for admission.

If you have any questions about the application, contact us at ADMISSIONS@USASK.CA. We are happy to help.

- Log in to monitor your application status at APPLY.USASK.CA.
- Check when supplemental items have been received or whether additional items are needed, and see when a decision has been made on your application.
Make sure to submit supplemental items as soon as possible after you apply for admission. Be aware of document deadlines to ensure your transcripts and other items are received on time.

IF YOU ARE CURRENTLY IN HIGH SCHOOL:

SASKATCHEWAN STUDENTS
- Request official transcripts to be sent directly to USask by the Ministry of Education:
  - as soon as possible,
  - after January exams 2022 and
  - after June exams 2022.

OUT-OF-PROVINCE STUDENTS
- Upload a copy of your most up-to-date report card or transcript.
- When you graduate, arrange to have your final, official transcript of marks sent directly to USask via postal mail by the appropriate authority, such as your provincial Ministry of Education.

IF YOU HAVE EVER TAKEN CLASSES OR COMPLETED A PROGRAM AT ANOTHER COLLEGE OR UNIVERSITY:
- Upload a copy of your most recent transcript showing marks for all classes you have completed.
- Arrange to have a final, official transcript sent by mail, courier or by electronic methods directly to USask by the institution(s) you attended.

IF PROOF OF ENGLISH LANGUAGE PROFICIENCY IS REQUIRED:
- Arrange for English proficiency test scores to be sent directly to USask by the testing organization.

If you receive an offer of admission, accept your offer online to officially become a USask student.
Undergraduate programs

BACHELOR OF SCIENCE IN AGRIBUSINESS

BACHELOR OF SCIENCE IN AGRICULTURE
- Agricultural Biology
- Agricultural Economics
- Agronomy
- Animal Science
- Applied Plant Ecology
- Crop Science
- Environmental Science
- Food and Bioproduct Sciences
- Horticultural Science
- Soil Science

BACHELOR OF SCIENCE IN ANIMAL BIOSCIENCE

BACHELOR OF SCIENCE IN RENEWABLE RESOURCE MANAGEMENT
- Resource Economics and Policy
- Resource Science

DIPLOMAS
- Agribusiness
- Agronomy
- Kanawayihetaytan Askiy (Let Us Take Care of the Land)
  - Indigenous Lands Governance
  - Indigenous Resource Management

CERTIFICATES
- Kanawayihetaytan Askiy (Let Us Take Care of the Land)
- Prairie Horticulture (non-degree)
  - Fruit and Vegetable Production
  - Greenhouse Crop Production
  - Landscaping and Arboriculture
  - Nursery Crop Production

MINORS
- Agribusiness Entrepreneurship
- Applied Microbiology
- Biotechnology
- Field Crop Production
- Horticulture
- Nutrition
- Rangeland Resources
- Toxicology

BACHELOR OF ARTS
- Archaeology and Anthropology
- Art History
- Business Economics
- Classical, Medieval and Renaissance Studies
- Drama
  - Theatre History
- Economics
- English
- French
- History
- Indigenous Studies
- International Studies
- Linguistics
  - General and Applied Linguistics
  - Languages and Speech Sciences
- Modern Languages
  - French
  - Spanish
- Music
- Philosophy
- Political Studies
- Psychology

St. Thomas More

St. Thomas More College (STM) is a Catholic liberal arts college federated with USask and located on its main campus in Saskatoon. STM offers over 250 Arts and Science classes in which all USask students are welcome to enrol, whether as part of their Arts and Science degree or as electives complementing their degrees from other USask colleges. The college offers smaller class-sizes, award-winning faculty and many course options in the areas of social justice, as well as community service learning options. STM also offers the following unique Arts and Science programs:

BACHELOR OF ARTS
- Philosophy
- Religion and Culture

CERTIFICATES AND MINORS
- Catholic Studies (certificate)
- Critical Perspectives on Social Justice and the Common Good (minor)
- Jewish and Christian Origins (certificate)
- Ukrainian Studies (minor)
Arts and Science

- Regional and Urban Planning
- Religion and Culture
- Sociology
  - Indigenous Justice and Criminology
  - Studio Art
  - Women's and Gender Studies

**BACHELOR OF ARTS AND SCIENCE**

Co-op and internship programs

USask offers many renowned co-op and internship programs to help you gain “on-the-job” experience. Some of these include:

- Computer Science Professional Internship Program
- Engineering Co-op Internship Program
- Edwards School of Business Co-operative Education Program
- Economics Internship Program
- English Career Internship
- Hydrology Co-operative Education Option
- Physics Professional Internship Option
Live in Residence

Residences at the University of Saskatchewan can be your home away from home and provide you with an unparalleled living environment.

You will be part of a diverse and global community where you can develop life-long friendships and create lasting memories. You will also be living in a safe, study-oriented setting where you can access continuous academic and personal support from your peers, Residence staff, faculty-in-residence, counsellor-in-residence and others.

TUTORS
Each week, graduate students provide free tutoring for students in Residence for major undergraduate subjects such as math, writing, chemistry, statistics and physics.

CULINARY SERVICES
Students in Residence enjoy access to USask Culinary Services locations as an additional benefit of living in Residence. Our Services offer nutritious and delicious meal options to students living away from home for the first time or looking for convenient meals between classes.

Voyageur Place residents receive an unlimited dining meal plan through the Marquis Culinary Centre, while College Quarter and Seager Wheeler residents receive a Residence Cash Card that can be used at various USask Culinary Services food outlets.

Students living off-campus are also welcome at the Marquis Culinary Centre. Stop by for a one-time cash purchase, or purchase a meal plan online.

QUEER HOUSING
If you identify as 2SLGBTQ+, you will be welcomed to join our Queer Housing program in College Quarter. This initiative will help you connect with the community of queer students living in Residence, as well as with the wider Residence community.

Take a video tour
livewithus.usask.ca
VOYAGEUR PLACE

Located at the heart of the USask campus, Voyageur Place is made up of four halls that are all connected by tunnels and skywalks to other buildings on campus, a popular feature during the winter.

Voyageur Place buildings offer you traditional, dormitory-style, single and double units in a variety of different layouts. Voyageur Place accommodations include utilities, internet, laundry, and the Unlimited Meal Plan provided through USask Culinary Services.

Here you can be part of a vibrant undergraduate community and participate in a variety of student life programming.

The floorplans below are examples of some of these units, but do not represent all specific room layouts.

SEAGER WHEELER

Seager Wheeler is a Residence building located just south of the main campus, approximately 10 minutes walking distance from our USask campus. It is part of McEown Park, a group of four high-rise buildings. These four buildings include Assiniboine Hall and Wollaston Hall (one- and two-bedroom units for upper-year students and couples living on campus together), Souris Hall (two-bedroom units for students with children) and Seager Wheeler (six-bedroom units for single students).
At College Quarter, you live together with other students in a lively, multi-cultural environment in fully furnished two-, three- and four-bedroom units. You are only a short 5-minute walk from academic and student services buildings on campus and have the added benefit of being part of an engaged community in Saskatoon with a friendly, inclusive atmosphere.

College Quarter suites are bright and modern, as are the lounges and study spaces, which offer beautiful views of the surrounding area.

“...My advice to other students, especially first years, is to choose to live in Residence because it helps you to adapt to school much easier due to the various activities and programs that are offered.”

ELIZABETH ADEGBITE, BACHELOR OF SCIENCE IN HEALTH STUDIES STUDENT
HOMETOWN: NIGERIA, AFRICA AND TORONTO, CANADA

Applications

We accept Residence applications on a first-come, first-served basis regardless of your admission status. We recommend that you apply for Residence at your earliest opportunity, when applications open in early November each year for the upcoming fall and winter terms. You do not have to wait to receive an offer of admission before you apply for Residence. See page 17 for Residence fees.

To protect the health and safety of residents and the campus community, accommodations in residence are limited, and amenities and services are continually being adjusted in accordance with health authority guidelines. Find the latest information about Residence at livewithus.usask.ca.
Fund Your Education

SCHOLARSHIPS AND AWARDS

Guaranteed Entrance Scholarships
You will automatically be considered for a Guaranteed Entrance Scholarship when you apply for admission. These scholarships recognize your academic achievements and are awarded based on your admission average.

<table>
<thead>
<tr>
<th>Percentage</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>95% OR GREATER</td>
<td>$3,000</td>
</tr>
<tr>
<td>93% TO 94.9%</td>

</table>

Best and Brightest Entrance Scholarships include USask’s highest valued, renewable entrance scholarships and are awarded based on academics, leadership and contributions to school and community life. These scholarships require the submission of a separate awards application after you apply for admission.

Circle of Honour Awards
Five of USask’s Best and Brightest Entrance Scholarships are designated for Indigenous students. These scholarships range in value from $24,000 to $40,000 over four years and are awarded to recognize academic excellence and community engagement.

At the University of Saskatchewan, entering students are eligible to receive a Guaranteed Entrance Scholarship in addition to a Best and Brightest Entrance Scholarship or Competitive Entrance Award.

Competitive Entrance Awards
VALUE: $500 – $32,000

Competitive Entrance Awards include numerous scholarships and bursaries that can be accessed by many students with diverse experiences. Applicants can be considered based on academic achievement, financial need and/or contributions to school and community life, and some awards recognize particular backgrounds, acknowledge contributions to certain clubs and/or reward achievement in music and athletics. All entering students are encouraged to apply.

“...The Guaranteed Entrance Scholarship gave me motivation to pursue post-secondary education and created a greater sense of belonging. It affirmed that the University of Saskatchewan is where I am supposed to be.”

TUITION

Tuition for most undergraduate programs at USask is calculated by adding up the cost of each individual class in which you enrol. For many programs, there is a wide range of classes from which you can choose, giving you a great deal of flexibility in terms of your schedule and budget.

Student fees are used to fund specific student benefits offered as part of your university education. These include fees to support athletics and recreation programs, student services, health and dental plans, your students’ union and the U-Pass Universal Transit Pass that allows you unlimited travel during the school year with Saskatoon Transit.

These estimates reflect the average tuition you could expect to pay per year if you enrol in a full course load (the maximum number of courses allowed).

STUDENT FEES: $988.24

TEXTBOOKS AND SUPPLIES: $1,000–$2,000

*Tuition and student fee estimates for undergraduate students enrolled full-time at the main Saskatoon campus over Fall and Winter Terms (September–April) are represented. For full-time undergraduate students, a typical student’s program includes classes offered by different colleges, so the average tuition cost to students may reflect a blended rate of different tuition categories.

International undergraduate tuition rates are assessed at 3.00 times the rate for Canadian citizens and permanent residents.

** Expected textbook costs and required supplies vary widely from program to program, and this estimate is meant only as a guideline for budgeting purposes.

RESIDENCE

Living in Residence offers many benefits to students, including many amenities you may otherwise have to pay for separately if living off-campus. These include convenient meal plans, laundry, internet and utilities like electricity and water.

USASK EXPENSE ESTIMATE $17,947

Tuition $947

Textbooks and Supplies $1,000–$2,000

Residence $1,000–$2,000
Admission Requirements

1. GRADUATION FROM HIGH SCHOOL
   If you are still completing high school, you can be considered for admission if you show that you will meet the requirements for your chosen program.

2. ADMISSION AVERAGE
   For high school students or graduates, an admission average is calculated using marks for five acceptable Grade 12 (senior-level) subjects:
   - ONE Mathematics
   - ONE English
   - THREE other acceptable Grade 12 (senior-level) subjects from the following:
     - Maximum of TWO natural sciences
     - Maximum of TWO social sciences or humanities
     - Maximum of ONE fine or performing art
### ROLLING ADMISSION

Applications are considered throughout the admissions cycle and admission is offered on a first-qualified, first-accepted basis until seats are filled.

### TRANSFER

Please consult admissions.usask.ca for more information about applying to transfer to the University of Saskatchewan.

### SPECIAL ADMISSION AND UNIVERSITY TRANSITION

If you do not meet regular admission requirements, you may be considered for special (mature) admission or special consideration (College of Education only), or offered the opportunity to enroll in the Arts and Science Transition Program. Visit admissions.usask.ca for more information.
SUBJECTS REQUIRED FOR YOUR COLLEGE/PROGRAM

In addition to meeting the admission average requirement, you must also meet prerequisite subject requirements for your college or program:

<table>
<thead>
<tr>
<th>DEGREE OR DIPLOMA</th>
<th>REQUIRED GRADE 12 SENIOR-LEVEL SUBJECTS</th>
<th>NOTES</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>AGRICULTURE AND BIORESOURCES</strong></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
| • Bachelor of Science in Animal Bioscience | • Biology  
• Chemistry  
• Mathematics | No deficiencies are allowed. |
| • Bachelor of Science in Agriculture  
• Bachelor of Science in Renewable Resource Management  
• Diploma in Agronomy | • Biology  
• Chemistry  
• Mathematics | Applicants may be admitted with one subject deficiency that must be cleared before the second year of study. |
| • Bachelor of Science in Agribusiness  
• Diploma in Agribusiness | • Biology or Chemistry or Physics  
• Mathematics | |
| **ARTS AND SCIENCE** | | |
| • Bachelor of Arts  
• Bachelor of Arts and Science  
• Bachelor of Fine Arts  
• Bachelor of Music  
• Bachelor of Music – Music Education  
• Bachelor of Science | • Mathematics | Applicants may be admitted with a mathematics deficiency but are encouraged to consult with the college upon admission to plan how to clear the deficiency. |
| • Bachelor of Science (Biomedical Science) | • Biology  
• Chemistry  
• Mathematics | A minimum grade of 70% is required in each of these courses. Deficiencies are not allowed in the Biomedical Science program. |
| **EDUCATION** | | |
| • Bachelor of Education | • Biology or Chemistry or Physics  
• Geology  
• History or Social Studies or Native Studies  
• Language (other than English) or Fine or Performing Art  
• Mathematics | An applicant is permitted to be deficient in up to two of these subject areas. If admitted, students must clear any deficiencies before entering the second year of study. |
| • Combined Bachelor of Science in Kinesiology/Bachelor of Education | • Biology  
• Chemistry or Physics  
• Mathematics | Deficiencies are not allowed in the combined program. |
| **EDWARDS SCHOOL OF BUSINESS** | | |
| • Bachelor of Commerce | • Mathematics | Applicants may be admitted with a mathematics deficiency. If admitted, students must clear the deficiency before entering the second year of study. |
| **ENGINEERING** | | |
| • Bachelor of Science in Engineering | • Chemistry  
• Physics  
• Pre-Calculus Mathematics | A minimum grade of 70% is required in each of these courses. |
| **KINESIOLOGY** | | |
| • Bachelor of Science in Kinesiology | • Biology  
• Chemistry or Physics  
• Mathematics | |

While not required for admission, in order to study some university-level courses, you are required to have completed certain high school classes. For example:

- to study university-level biology, chemistry or physics, the Grade 12 (senior-level) course of the same subject is required.
- to study university-level calculus, Grade 12 (senior-level) pre-calculus or a university-level pre-calculus class is required.

Visit admissions.usask.ca for province-specific subject requirements.
ENGLISH LANGUAGE PROFICIENCY

Applicants whose first language is not English must present proof of English language proficiency.

<table>

</tbody>
</table>

*All scores must be from one exam date, not to be combined with other exam dates. Tests are valid for two years after the testing date. Scores must be valid (no more than two years old) at the beginning of the student’s first term of registration in the undergraduate program.

JOINT ADMISSION

If you are academically qualified for admission but need to improve your English before starting your degree program, we offer joint admission to the English for Academic Purposes program at the University of Saskatchewan Language Centre and undergraduate programs in any of our six direct-entry colleges:

- **AGRICULTURE AND BIORESOURCES**
- **ARTS AND SCIENCE**
- **EDUCATION**
- **EDWARDS SCHOOL OF BUSINESS**
- **ENGINEERING**
- **KINESIOLOGY**

- "Arts and Science"

Learning Communities sign-up opens

Room selection process begins in Residence

Deadline for international applicants to submit transcripts and other supporting documents for:
- "Arts and Science"

Class registration opens for 2022 Fall Term (September-December) and 2023 Winter Term (January-April)

Deadline for Canadian citizens and permanent residents to apply for admission and submit transcripts and other supporting documents for:
- "Arts and Science"

---

**SPRING AND SUMMER CLASSES**

Many new students elect to begin their studies early by choosing to take classes during the spring or summer. Spring and summer students enjoy flexible class options lasting a couple of weeks to a couple months, and choose to start early for a number of reasons, including:
- getting a head start on your degree program,
- focusing on a tough class you want to get out of the way, or
- completing a prerequisite class you need to move forward in your degree.

Interested? Choose the 2022 Spring Term (May–June) or 2022 Summer Term (July–August) when applying for admission for applicable colleges. To learn more visit [summer.usask.ca](http://summer.usask.ca) or contact our friendly staff at [admissions@usask.ca](mailto:admissions@usask.ca).

If you are an Engineering or Education student and considering enrolling in spring and summer classes, talk to an academic advisor in your college first to seek approval.
