Established in 1907
Member of the U15 group of top Canadian research universities
$13 million in scholarships, bursaries and awards
19:1 Low student to faculty ratio
160+ student societies and clubs
156,000+ alumni living worldwide
You have choices. You decide where life is going to take you. When it comes to your education and your future, you have the freedom to decide what kind of experience you want to have.

At the University of Saskatchewan (USask), your experience matters. What makes USask unique is that you will have the opportunity to contribute directly to the world’s knowledge as you work alongside renowned faculty in some of the most advanced research and education facilities in the world.

USask is a place where you can learn, grow and be part of a community that recognizes how beautiful knowledge can be.
With a rising population of more than 270,000, Saskatoon offers many of the amenities of a large urban centre along with the friendliness and accessibility of a smaller city. There is plenty to do in Saskatoon every season, with live music events, festivals and cultural experiences offered year round.

With its vibrant mix of many cultures, Saskatoon’s blossoming culinary and local shopping scenes also stand out.

This is a place of opportunity, diversity and innovation. As a student here and after you graduate, you will come to appreciate why so many have chosen to call this place home.

Population

270,000

A big city with a small town feel

20 minute "rush hour"

#18 on the New York Times list of '52 Places to Go in 2018'
Our historic main campus in Saskatoon is recognized as one of the most beautiful in Canada, with plenty of green space, stately greystone buildings and tree-lined walkways.

The University of Saskatchewan (USask) is a place where people from this province, from across Canada and beyond have pursued education and knowledge for more than 100 years. Established in 1907, our institution has continually grown and flourished to become the place of curiosity, spirit and potential it is today.

As you explore this place, you will discover the spaces that define your university experience. Museums and galleries, libraries, sporting event venues, student hangouts and natural spaces are where life happens and where your most powerful memories can be created.

From the moment you become a student, you will know the sense of pride and community felt by our students, staff, faculty and alumni. While you are here and long after you graduate, you will remember your experiences, the things you learn and, above all, the places you love.

- More than 3 km$^2$ core campus grounds
- Located on Treaty 6 Territory and the Homeland of the Métis
- 7 on-campus museums and art galleries
Residences at the University of Saskatchewan provide an unparalleled living environment for students. You will be part of a diverse and global community where you can develop life-long friendships and create lasting memories. You will also be living in a safe, study-orientated setting where you can access continuous academic and personal support from your peers, Residence staff, faculty-in-Residence and others.

More than 2,200 students live in residence.

Take a video tour at livewithus.usask.ca
Residence Welcome Week with events every day throughout your first week, starting on move-in day.

Marquis Culinary Centre

The Marquis Culinary Centre is the hub of our food services operation. Anyone on campus is welcome to join us in our all-you-can-dine Culinary Centre, offering a wide variety of items including Canadian and international dishes. Stop by for a one-time cash purchase, or purchase a meal plan online. Enjoy your meal in our beautiful dining hall overlooking the Bowl. All residents of Voyageur Place receive the Unlimited Meal Plan. The Unlimited Meal Plan allows access to the Marquis Dining Hall during operating hours with great flexibility.
VOYAGEUR PLACE

Located at the heart of the University of Saskatchewan campus, Voyageur Place is made up of four halls which are all connected by tunnels and skywalks to other buildings on campus, a popular feature during the winter.

Accommodation in Voyageur Place includes utilities, internet, laundry and the Unlimited Meal Plan. The Unlimited Meal Plan allows access to the Marquis Dining Hall during operating hours with great flexibility.

Voyageur Place buildings offer traditional, dormitory-style, single and double units in a variety of different layouts. The floorplans below are examples of some of these units, but do not represent all specific room layouts.

SEAGER WHEELER

Seager Wheeler is a Residence building located just south of the main campus. It is part of McEown Park, a group of four high-rise buildings. These four buildings include Assiniboine Hall and Wollaston Hall (one and two bedroom units for upper-year students), Souris Hall (two bedroom units for students with children) and Seager Wheeler (six bedroom units for single students).

Social events, in-house tutoring and community activities help students feel connected, both to their neighbours and the campus nearby.

TUTORS

Each week, graduate students can be found in Residence providing tutoring for major undergraduate subjects such as math, writing, chemistry, statistics and physics.
At College Quarter, students live together in a lively, multi-cultural environment in fully furnished two, three and four bedroom units. You are only a short walk from all of your classes and have the added benefit of being part of an engaged community in Saskatoon with a friendly, inclusive atmosphere.

College Quarter suites are bright and modern, as are the lounges and study spaces, which offer beautiful views of the surrounding area. Social events, in-house tutoring and community activities help students feel connected, both to their neighbours and the campus nearby.

“My advice to other students, especially first years, is to choose to live in Residence because it helps you to adapt to school much easier due to the various activities and programs that are offered.”

ELIZABETH ADEGBITE, BACHELOR OF SCIENCE IN HEALTH STUDIES STUDENT
HOMETOWN: NIGERIA, AFRICA AND TORONTO, CANADA

Applications

Residence applications are accepted on a first-come, first-served basis regardless of students’ admission status. We recommend that students apply for Residence as soon as possible after they apply for admission. You do not have to wait to receive an offer of admission before you apply for Residence. See page 15 for Residence fees.

Students entering their first year of studies at USask will receive guaranteed placement at Voyageur Place Residence if they apply for Residence before January 31, 2020.
Our students

More than 25,700 students from 132 countries

More than 3,300 self-declared Indigenous students

More than 3,400 international students

Our campus

13 colleges
3 graduate schools
6 affiliated or federated colleges

One in two
USask undergraduate students will have a hands-on, course-based research experience where they learn to create and share new knowledge.

15 Huskie Athletics teams

More than 130 athletic championships

The University of Saskatchewan (USask) offers degree, diploma and certificate programs in more than 150 areas of study across our diverse colleges and schools. Explore at ADMISSIONS.USASK.CA.

Admission requirements and deadlines depend on your situation.
- Which program are you interested in?
- When do you want to start classes?
- Is this your first time going to university?
Do your research and apply early to take advantage of benefits such as early admission and access to scholarships.

Ready to apply? Create an account at APPLY.USASK.CA and fill out the online application for admission.

If you have any questions about the application, contact us and we would be happy to help.

- Log in to monitor your application status at APPLY.USASK.CA.
- Check when supplemental items have been received or whether additional items are needed, and see when a decision has been made on your application.
5 SUBMIT YOUR SUPPLEMENTAL ITEMS

IF YOU ARE CURRENTLY IN HIGH SCHOOL:

SASKATCHEWAN STUDENTS
- Request official transcripts to be sent directly to USask by the Ministry of Education:
  - as soon as possible,
  - after January exams 2020 and
  - after June exams 2020.

OUT-OF-PROVINCE STUDENTS
- Upload a copy of your most up-to-date report card or transcript.
- When you graduate, arrange to have your final, official transcript of marks sent directly to USask via postal mail by the appropriate authority, such as your provincial Ministry of Education.

IF YOU HAVE EVER TAKEN CLASSES OR COMPLETED A PROGRAM AT ANOTHER COLLEGE OR UNIVERSITY:
- Upload a copy of your most recent transcript showing marks for all classes you have completed.
- Arrange to have a final, official transcript mailed or couriered directly to USask by the institution(s) you attended.

IF PROOF OF ENGLISH LANGUAGE PROFICIENCY IS REQUIRED:
- Arrange for English proficiency test scores to be sent directly to USask by the testing organization.

---

6 ACCEPT YOUR OFFER OF ADMISSION

If you receive an offer of admission, accept your offer online to officially become a USask student.

CONGRATULATIONS!
Share your #USASK moment
Non-direct entry programs

The following programs require previous post-secondary study.

**Dentistry**
- BACHELOR OF SCIENCE IN DENTISTRY
- DOCTOR OF DENTAL MEDICINE

**Law**
- JURIS DOCTOR
  - French Common Law Option
- JURIS DOCTOR AND MASTER OF BUSINESS ADMINISTRATION COMBINED DEGREE

**Medicine**
- DOCTOR OF MEDICINE
  - Certificate in Global Health

**Nursing**
- BACHELOR OF SCIENCE IN NURSING

**Nutrition**
- BACHELOR OF SCIENCE IN NUTRITION

**Pharmacy**
- DOCTOR OF PHARMACY

**Physical Therapy**
- MASTER OF PHYSICAL THERAPY

**Veterinary Medicine**
- DOCTOR OF VETERINARY MEDICINE
  - Certificate in One Health
  - Certificate in Rotating Small Animal Veterinary Internship
  - Certificate in Specialty Internship in Veterinary

**Graduate and Postdoctoral Studies**

**Agriculture and Bioresources**

**BACHELOR OF SCIENCE IN AGRIBUSINESS**

**BACHELOR OF SCIENCE IN AGRICULTURE**
- Agricultural Biology
- Agricultural Economics
- Agronomy
- Animal Science
- Applied Plant Ecology
- Crop Science
- Environmental Science
- Food and Bioproduct Sciences
- Horticultural Science
- Soil Science

**BACHELOR OF SCIENCE IN ANIMAL BIOSCIENCE**

**BACHELOR OF SCIENCE IN RENEWABLE RESOURCE MANAGEMENT**
- Resource Economics and Policy
- Resource Science

**DIPLOMAS**
- Agribusiness
- Agronomy
- Kanawayihetaytan Askiy (Let Us Take Care of the Land)
  - Aboriginal Lands Governance
  - Aboriginal Resource Management

**CERTIFICATES**
- Kanawayihetaytan Askiy (Let Us Take Care of the Land)
- Prairie Horticulture (non-degree)
  - Fruit and Vegetable Production
  - Greenhouse Crop Production
  - Landscaping and Arboriculture
  - Nursery Crop Production

**MINORS**
- Agribusiness Entrepreneurship
- Applied Microbiology
- Biotechnology
- Field Crop Production
- Nutrition
- Rangeland Resources
- Toxicology
St. Thomas More

St. Thomas More College (STM) is a Catholic liberal arts college federated with USask and located on its main campus in Saskatoon. STM offers over 250 Arts and Science classes in which all USask students are welcome to enrol, whether as part of their Arts and Science degree or as electives complementing their degrees from other colleges on campus. The college offers smaller class-sizes, award-winning faculty and many course options in the areas of social justice, as well as community service learning options. STM also offers the following unique Arts and Science programs:

- Philosophy Major
- Catholic Studies Minor
- Social Justice and the Common Good Minor
- Ukrainian Studies Minor
- Jewish and Christian Origins Certificate
BACHELOR OF EDUCATION
- Early/Middle Years
- Secondary
- Sequential Music
- Technical Vocational

COMBINED BACHELOR OF SCIENCE IN KINESIOLOGY/BACHELOR OF EDUCATION

INDIGENOUS PROGRAMS
- Indian Teacher Education Program (ITEP)
- Saskatchewan Urban Native Teacher Education Program (SUNTEP)

- 9 Premiers of Canadian provinces
- 3 Justices of the Supreme Court of Canada
- 2 Nobel Prize winners
- 70 Rhodes Scholars
- 7 Governor General’s Literary Award winners
- 1 Oscar winner

Our alumni
Learn Where You Live

If you live in Saskatchewan, you may choose to learn where you live and complete a few classes or your entire degree at one of our off-campus sites.

The University of Saskatchewan (USask) has partnered with Saskatchewan education institutions for over 40 years to provide students with opportunities to study and learn close to home.

Today, approximately 1,500 USask students study at off-campus sites through face-to-face, online, independent study and live-streamed classes.

You can begin your USask program and, in some cases, complete a degree without leaving your home community. This flexibility will allow you greater balance with family, work and other life commitments. Smaller class sizes with more student/teacher interaction, program and career counselling, essay writing support, tutorials and course-focused group discussions are available at all off-campus sites.
Starting university is one of the biggest transitions you will make in life. At the University of Saskatchewan (USask) we have supports in place to help you through this transition and your university career.

**STUDENT LEARNING SERVICES**
Student Learning Services (SLS) helps students make the most out of their academic experience at USask. SLS offers workshops, online resources and tutors to help students with writing, studying, math and statistics.

**USSU CENTRES**
The University of Saskatchewan Students’ Union (USSU) operates a number of centres for enhancing the student experience. These centres include the Women’s Centre, Pride Centre, Help Centre, and Food Centre. The USSU centres are open to all students, and provide resources, support and services in a warm, positive atmosphere.

**ACCESS AND EQUITY SERVICES**
Access and Equity Services is guided by Saskatchewan’s Human Rights legislation and the duty to accommodate individuals based on a medical or learning disability, religion, family status (including pregnancy) or gender identity. Services include exam/academic accommodations, notetaking, classroom changes, alternate format textbooks, assistive technology and academic strategy.

**THERAPY DOGS**
St. John Ambulance therapy dogs visit campus frequently to help students de-stress. Petting a dog can increase levels of the stress-reducing hormone oxytocin and decrease the production of the stress hormone cortisol.
LEARNING COMMUNITIES
Learn to adapt more quickly to university and benefit from the mentorship of successful upper-year students by registering in a Learning Community (LC) in your college.

In an LC, you will get to know a small group of other new students who are taking some of the same courses as you—courses that you share an interest in, or courses that are part of your degree requirements.

Participating in a LC is one of the best ways for you to take charge of your learning and to develop skills to help you succeed in this new academic environment. It is also a great opportunity to make new friends!

STUDENT WELLNESS CENTRE
The Student Wellness Centre offers urgent and non-urgent physical and mental health care to USask students and their spouses and children.

CHILDCARE AND COMMUNITY
USask operates three child-care centres and offers convenient breastfeeding locations for nursing mothers. In addition, Parents on Campus is a community group focused on providing support, advocacy and events for USask families.

INTERNATIONAL STUDENT AND STUDY ABROAD CENTRE
Visit the International Student and Study Abroad Centre to meet students from around the world, learn about opportunities to study abroad or access services for international students.

ABORIGINAL STUDENTS’ CENTRE
Staff at the Aboriginal Students’ Centre (ASC) are committed to supporting the personal and academic success of Métis, First Nations and Inuit students. ASC creates an inclusive community through personal, social, cultural and academic programs and services held throughout the academic year.

GET INVOLVED AND BUILD CONNECTIONS
Take advantage of our beautiful and bustling campus life by joining one of our 160 plus campus clubs, attending a game for one of the 15 Huskie athletics teams, visiting one of the seven on-campus art galleries and museums, or exercising in the state-of-the-art Physical Activity Complex.
Fund Your Education

SCHOLARSHIPS AND AWARDS

Guaranteed Entrance Scholarships
You will automatically be considered for a Guaranteed Entrance Scholarship when you apply for admission. These scholarships recognize your academic achievements and are awarded based on your admission average.

<table>
<thead>
<tr>
<th>Percentage</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>95% OR GREATER</td>
<td>$3,000</td>
</tr>
<tr>
<td>93% TO 94.9%</td>
<td>$2,000</td>
</tr>
<tr>
<td>90% TO 92.9%</td>
<td>$1,000</td>
</tr>
<tr>
<td>85% TO 89.9%</td>
<td>$500</td>
</tr>
</tbody>
</table>

If you apply for admission during your Grade 12 year, your average will be calculated twice—once at the time of admission and again following your graduation. Your scholarship amount will be based on your highest average.

Best and Brightest Entrance Scholarships
VALUE: UP TO $40,000
APPLY FOR ADMISSION BY: DEC 1
APPLY FOR AWARDS BY: DEC 15

Best and Brightest Entrance Scholarships include USask’s highest valued, renewable entrance scholarships and are awarded based on academics, leadership and contributions to school and community life. These scholarships require the submission of a separate awards application after you apply for admission.

Circle of Honour Awards
Five of USask’s Best and Brightest Entrance Scholarships are designated for Aboriginal students. These scholarships range in value from $24,000 to $40,000 over four years and are awarded to recognize academic excellence and community engagement.

Competitive Entrance Awards
VALUE: $500 – $32,000
APPLY FOR ADMISSION BY: FEB 15
APPLY FOR AWARDS BY: MAR 1

Competitive Entrance Awards include numerous scholarships and bursaries that can be accessed by many students with diverse experiences. Applicants can be considered based on academic achievement, financial need and/or contributions to school and community life, and some awards recognize particular backgrounds, acknowledge contributions to certain clubs and/or reward achievement in music and athletics. All entering students are encouraged to apply.

At the University of Saskatchewan, entering students are eligible to receive a Guaranteed Entrance Scholarship in addition to a Best and Brightest Entrance Scholarship or Competitive Entrance Award.

“The Guaranteed Entrance Scholarship gave me motivation to pursue post-secondary education and created a greater sense of belonging. It affirmed that the University of Saskatchewan is where I am supposed to be.”

TUITION

Tuition for most undergraduate programs at USask is calculated by adding up the cost of each individual class in which you enroll. For many programs, there is a wide range of classes from which you can choose, giving you a great deal of flexibility in terms of your schedule and budget.

Student fees are used to fund specific student benefits offered as part of your university education. These include fees to support athletics and recreation programs, student services, health and dental plans, your students’ union and the U-Pass Universal Transit Pass that allows you unlimited travel during the school year with Saskatoon Transit.

These estimates reflect the average tuition you could expect to pay per year if you enroll in a full course load (the maximum number of courses allowed).

*2019-2020 tuition and student fee estimates for undergraduate students enrolled full-time at the main Saskatoon campus over Fall and Winter Terms (September–April) are represented. International undergraduate tuition rates are assessed at 2.73 times the rate for Canadian citizens and permanent residents.

** Expected textbook costs and required supplies vary widely from program to program, and this estimate is meant only as a guideline for budgeting purposes.

RESIDENCE

Living in Residence offers many benefits to students, including many amenities you may otherwise have to pay for separately if living off-campus. These can include convenient meal plans, laundry, internet and utilities like electricity and water.

<table>

Admission Requirements

1. **GRADUATION FROM HIGH SCHOOL**
   If you are still completing high school, you can be considered for admission if you show that you will meet the requirements for your chosen program.

2. **ADMISSION AVERAGE**
   For high school students or graduates, an admission average is calculated using marks for five acceptable Grade 12 (senior-level) subjects:
   - ONE Mathematics
   - ONE English
   - THREE other acceptable Grade 12 (senior-level) subjects from the following:
     - Maximum of TWO natural sciences
     - Maximum of TWO social sciences or humanities
     - Maximum of ONE fine or performing art
ROLLING ADMISSION
Applications are considered throughout the admissions cycle and admission is offered on a first-qualified, first-accepted basis until seats are filled.

• Pre-Calculus Mathematics  
A minimum grade of 70% is required in each of these courses. |
| KINESIOLOGY | • Bachelor of Science in Kinesiology  
• Biology  
• Chemistry or Physics  
• Mathematics  
Pending approval, applicants may be admitted with a mathematics deficiency. If admitted, students must clear the deficiency before entering the second year of study. |

While not required for admission, in order to study some university-level courses, you are required to have completed certain high school classes. For example:

- to study university-level biology, chemistry or physics, the Grade 12 (senior-level) course of the same subject is required.

- to study university-level calculus, Grade 12 (senior-level) pre-calculus or a university-level pre-calculus class is required.

Visit admissions.usask.ca for province-specific subject requirements.
ENGLISH LANGUAGE PROFICIENCY
Applicants whose first language is not English must present proof of English language proficiency.

<table>
<thead>

**SPRING AND SUMMER CLASSES**

Many new students elect to begin their studies early by choosing to take classes during the spring or summer. Spring and summer students enjoy flexible class options lasting a couple of weeks to a couple months, and choose to start early for a number of reasons, including:

- getting a head start on your degree program,
- focusing on a tough class you want to get out of the way, or
- completing a prerequisite class you need to move forward in your degree.

Interested? Choose the 2020 Spring Term (May–June) or 2020 Summer Term (July–August) when applying for admission. To learn more visit [summer.usask.ca](http://summer.usask.ca) or contact our friendly staff at [admissions@usask.ca](mailto:admissions@usask.ca).
