University of Saskatchewan (USask)

USask is one of Canada’s top English-speaking research-intensive institutions. Our university is ranked no. 1 nationally for the study of water resources and no. 4 for agricultural and veterinary sciences, energy science and engineering, and material science and engineering (2022 ARWU Global Ranking of Academic Subjects). We work closely with our students to help them succeed and to prepare them to address today’s global issues in more than 200 fields of study, including health and the sciences, the humanities and fine arts, business, and the social sciences.

Tuition, fees and expenses estimates

The following estimates reflect a typical amount students could expect to pay if enrolled in a full course load (the maximum number of courses allowed) in undergraduate, direct-entry programs in the fall and winter terms (September–April).

<table>
<thead>
<tr>
<th>CATEGORY</th>
<th>COST</th>
</tr>
</thead>
<tbody>
<tr>
<td>International student tuition*</td>
<td>$30,480 – $45,419 CAD</td>
</tr>
<tr>
<td>Full-time, on-campus student fees**</td>
<td>$1,088.72 CAD</td>
</tr>
<tr>
<td>USask residence rental rates**</td>

</table>

* These estimates are based on 2023–2024 tuition rates for a typical student course offering within each program. International undergraduate tuition rates are assessed at 4.2 times the rate for Canadian citizens and permanent residents.

** 2023–2024 fall and winter terms (September–April).

*** Rental rates are per-person, effective 2023–2024 (September–April), and vary depending on accommodation type.

Joint admission and USask Language Centre

Students who are academically qualified for admission but need to improve their English before starting their undergraduate studies can apply for joint admission to study English at the USask Language Centre and to one of our direct-entry programs of their choice. There are three intakes each year:

- Fall Term (September to December)
- Winter Term (January to April)
- Spring Term (May to August)
