The university
THE WORLD NEEDS

The University of Saskatchewan (USask) is one of Canada’s most historic and distinguished universities with an established legacy of excellence in research and education worldwide.

USask has been breaking new ground in research since 1907, leading innovation in areas of global importance such as agriculture, water and food security, infectious diseases and medical technology through collaborative, creative, interdisciplinary approaches.

At USask, you will be supported by our energetic faculty and staff to be what the world needs with an education that will equip you to tackle some of the greatest global challenges of our era. You will be prepared for inspiring careers and for fulfilling lives as engaged global citizens.

Whether you decide to live on- or off-campus, as part of our USask family—the Huskies—you’ll join our diverse, lively, welcoming community of students from Canada and all around the world. You will make many new friends by joining our student clubs and attending a wide array of on-campus activities, including using our recreation facilities for physical activity.

Come join us in building the future.

Located on Treaty 6 Territory and the Homeland of the Métis

Ranked among the TOP 100 universities globally for contributions to the United Nations Sustainable Development Goals

25,900+ students in 17 colleges and schools
3,400+ self-declared Indigenous students
4,400+ graduate students
3,100+ international students from 131 countries
163,000+ alumni worldwide

Member of the U15 group of top Canadian research universities

(2021 Times Higher Education World Impact Ranking)

Ranked TOP 5 in Canada in the study of:

- Water resources
- Materials science and engineering
- Public administration
- Agricultural science
- Chemical engineering
- Energy science and engineering
- Environmental science and engineering
- Veterinary science

(2021 ARWU Global Ranking of Academic Subjects)
beautiful SASKATOON

The University of Saskatchewan’s historic main campus is recognized as one of the most beautiful in the country, and our city is known as a hidden gem by those who visit and come to call it home.

Our campus is found at the heart of the vibrant city of Saskatoon, which has a growing population of more than 270,000 people.

Saskatoon is a welcoming city for newcomers and offers many opportunities to experience Canadian culture. We also celebrate cultures from around the world.

As the largest city in the province of Saskatchewan, Saskatoon offers the amenities of a large urban centre, along with the friendliness and accessibility of a smaller city.

Here, you can have a true Canadian experience in a city that is safe, affordable and student-friendly.

#18 on the New York Times list of '52 Places to Go in 2018'

One of Canada’s sunniest cities

Good to excellent air quality across the province

Average commute less than 20 minutes

PHOTOS: TOURISM SASKATOON
SASKATCHEWAN advantages

The benefits of living and studying in Canada are well-known, but there are additional advantages to choosing the province of Saskatchewan as your study destination.

**HEALTH CARE**
Free Saskatchewan government health insurance is available for full-time students with a valid study permit. As a full-time undergraduate or graduate student, you also have access to extended health and dental benefits provided through your student association.

**SASKATCHEWAN IMMIGRANT NOMINEE PROGRAM**
Through the Saskatchewan Immigrant Nominee Program, the province invites residency applications from non-Canadians who want to make Saskatchewan their home. Successful applicants will be nominated to the federal government, so they can gain permanent residency in Canada. For more information, visit saskatchewan.ca/immigration.

**CAREER OPPORTUNITIES**
Called the breadbasket of Canada, Saskatchewan offers lots of career opportunities that range from agriculture to mining, as well as finance, insurance, real estate and a rapidly growing tech industry, among many others. The province’s unemployment rate is among the lowest in the country, with averages just between 4 and 6 per cent since the 1970s. The average family income in the province is over $90,000 per year.

**GRADUATE RETENTION PROGRAM**
The Graduate Retention Program provides Saskatchewan income tax credits of up to $20,000 over seven years for tuition fees paid by graduates of approved post-secondary programs who live in Saskatchewan. To be eligible, you must live and file an income tax return in Saskatchewan.

**COST OF LIVING**
Housing costs in Saskatchewan’s cities and communities, including Saskatoon, are lower than in most major cities in Canada. The costs of transportation are also low. If you choose to live off-campus, you can take advantage of the reasonably priced unlimited transit pass included in your student fees.

**QUALITY OF LIFE**
Achieving balance between one’s work, family and social life is a part of Saskatchewan culture. There is always something for residents to do here, from visiting the world-class Remai Modern art gallery to dining at our award-winning restaurants. Festivals like WinterShines, Jazz Fest and the Fringe Theatre Festival are special opportunities to experience the best of our province’s and city’s culture.
## Undergraduate programs

### Agriculture and Bioresources

**Bachelor of Science in Agribusiness**
- Agricultural Biology
- Agricultural Economics
- Agronomy
- Animal Science
- Applied Plant Ecology
- Crop Science
- Environmental Science
- Food and Bioproduct Sciences
- Horticultural Science
- Soil Science

**Bachelor of Science in Agriculture**
- Agricultural Biology
- Agricultural Economics
- Agronomy
- Animal Science
- Applied Plant Ecology
- Crop Science
- Environmental Science
- Food and Bioproduct Sciences
- Horticultural Science
- Soil Science

**Bachelor of Science in Animal Bioscience**

**Bachelor of Science in Renewable Resource Management**
- Resource Economics and Policy
- Resource Science

**Diplomas**
- Agribusiness
- Agronomy

### Arts and Science

**Bachelor of Arts**
- Archaeology and Anthropology
- Art History
- Business Economics
- Classical, Medieval and Renaissance Studies
- Drama
- Economics
- English
- French
- History
- Indigenous Studies
- International Studies
- Linguistics
- Modern Languages
- Music
- Philosophy
- Political Studies
- Psychology
- Regional and Urban Planning
- Religion and Culture
- Sociology
- Studio Art
- Women’s and Gender Studies

**Bachelor of Science and Arts**
- Environment and Society
- Health Studies

**Bachelor of Fine Arts**
- Drama
- Studio Art

**Bachelor of Music**

**Bachelor of Music – Music Education**

**Bachelor of Science**
- Applied Computing
- Applied Mathematics
- Archaeology
- Biology
- Chemistry
- Computer Science
- Environmental Biology
- Environmental Geoscience
- Food Science
- Geology
- Geophysics
- Hydrology
- Mathematical Physics
- Mathematics
- Palaeobiology
- Physics
- Psychology
- Statistics
- Toxicology

**Bachelor of Science (Biomedical Science)**
- Biochemistry, Microbiology and Immunology
- Biomedical Foundations
- Biomedical Neuroscience
- Cellular, Physiological and Pharmacological Sciences
- Interdisciplinary Biomedical Sciences

### St. Thomas More College

St. Thomas More College (STM) is a Catholic liberal arts college federated with USask and located on the Saskatoon campus. STM offers the following unique Arts and Science programs:

**Bachelor of Arts**
- Philosophy
- Religion and Culture

**Certificates and Minors**
- Catholic Studies (certificate)
- Critical Perspectives on Social Justice and the Common Good (minor)
- Jewish and Christian Origins (certificate)
- Ukrainian Studies (minor)
One in two USask undergraduate students have a hands-on, course-based research experience where they learn to create and share new knowledge.

EDWARDS SCHOOL BUSINESS

BACHELOR OF COMMERCE
- Accounting
- Finance
- Human Resources
- Management
- Marketing
- Supply Chain Management

KINESIOLOGY

BACHELOR OF SCIENCE IN KINESIOLOGY
- Exercise and Sport Studies

COMBINED BACHELOR OF SCIENCE IN KINESIOLOGY/ BACHELOR OF EDUCATION

ENGINEERING

BACHELOR OF SCIENCE IN ENGINEERING
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Engineering Physics
- Environmental Engineering
- Geological Engineering
- Mechanical Engineering

USask offers many renowned co-op and internship programs to help you gain “on-the-job” experience:
- Computer Science Professional Internship Program
- Engineering Co-op Internship Program
- Edwards School of Business Co-operative Education Program
- Economics Internship Program
- English Career Internship
- Hydrology Co-operative Education Option

The following programs require previous post-secondary study:

DENTISTRY

DOCTOR OF DENTAL MEDICINE
- Bachelor of Science in Dentistry
- International Dental Degree Program

LAW

JURIS DOCTOR

JURIS DOCTOR AND BACHELOR OF ARTS COMBINED DEGREE

JURIS DOCTOR AND BACHELOR OF COMMERCE COMBINED DEGREE

JURIS DOCTOR AND MASTER OF BUSINESS ADMINISTRATION COMBINED DEGREE

NURSING

BACHELOR OF SCIENCE IN NURSING

PHARMACY AND NUTRITION

BACHELOR OF SCIENCE IN NUTRITION

DOCTOR OF PHARMACY

VETERINARY MEDICINE

DOCTOR OF VETERINARY MEDICINE

MEDICINE

DOCTOR OF MEDICINE

700+ students per year join USask’s Student Undergraduate Research Experience (SURE) connector and training program.
Steps to apply

1. FIND A PROGRAM
Explore programs, admission requirements and deadlines at ADMISSIONS.USASK.CA.

2. START AN APPLICATION
Ready to apply? Create an account at APPLY.USASK.CA and fill out the online application for admission. If you have any questions about the application, contact us and we will be happy to help!

3. SUBMIT YOUR APPLICATION AND APPLICATION FEE
Be mindful of application deadlines. Submit your application early to take advantage of benefits like early admission and access to scholarships.

4. SUBMIT YOUR DOCUMENTS
As soon as possible after applying, upload a copy of your most up-to-date report card or transcript and other required documents.

5. CHECK YOUR APPLICATION STATUS
Log in to monitor your application status at APPLY.USASK.CA.
Check when supplemental items have been received or whether additional items are needed, and see when a decision has been made on your application.

6. ACCEPT YOUR OFFER OF ADMISSION
If you receive an offer of admission, accept your offer online to officially become a USask student.
Visit the New Students page at STUDENTS.USASK.CA/NEW for helpful information about student life at USask.
Contact the USask International Student and Study Abroad Centre (ISSAC) to receive support with your transition into student life in Canada and connect with other international students.

WELCOME TO USASK!

- Arts and Science
- Edwards School of Business
- Engineering

Early May
Room selection process begins in Residence

July 15
Deadline to apply for joint admission to a degree program and the English for Academic Purposes program for the 2022 Fall Term
Undergraduate tuition and student fees

Tuition for most undergraduate programs at the University of Saskatchewan is calculated by adding up the cost of individual classes you select and register for each year.

The following estimates reflect a typical amount you could expect to pay per year if you enroll in a full course load (the maximum number of courses allowed).

<table>
<thead>
<tr>
<th>Field</th>
<th>Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Agriculture and Bioresources</td>
<td>$20,631</td>
</tr>
<tr>
<td>Arts and Science Arts</td>
<td>$20,130</td>
</tr>
<tr>
<td>Science</td>
<td>$21,078</td>
</tr>
<tr>
<td>Education</td>
<td>$21,249</td>
</tr>
<tr>
<td>Edwards School of Business</td>
<td>$24,090</td>
</tr>
<tr>
<td>Engineering</td>
<td>$27,312</td>
</tr>
<tr>
<td>Kinesiology</td>
<td>$20,817</td>
</tr>
</tbody>
</table>

Tuition estimates for international students registered in a full course load in 2021 Fall Term and 2022 Winter Term (September–April) are represented. International undergraduate tuition rates are assessed at 3.0 times the rate for Canadian citizens and permanent residents.

Student fees are used to fund specific student benefits offered as part of your university education. These include fees to support athletics and recreation programs, student services, health and dental plans, your students’ union and the U-Pass Universal Transit Pass that allows you unlimited travel during the school year with Saskatoon Transit.

The amount you will pay depends on if you are taking classes full-time or part-time, and if you are on campus, remote or not. This estimate reflects a typical amount a full-time, on-campus student could expect to pay if enrolled in the fall and winter terms.

Estimated student fees: $988.24 CAD
Scholarships

At the University of Saskatchewan, we want to recognize your academic achievements and personal accomplishments. When you apply for admission, you will be considered automatically for a variety of scholarships based on academic achievement:

<table>
<thead>
<tr>
<th>Apply for admission by</th>
<th>INTERNATIONAL EXCELLENCE AWARDS</th>

$13 million in scholarships, bursaries and awards
Undergraduate admission requirements

**GRADUATION FROM HIGH SCHOOL OR SECONDARY-LEVEL STANDING**

You can apply for early admission in the year you will graduate.

**ADMISSION AVERAGE**

An admission average is calculated to determine whether you meet the minimum admission average requirement for programs with rolling admission or to determine your place in the ranking for programs with competitive ranking-based admission.

**High school (secondary school) students or graduates**

An admission average is calculated using marks for five acceptable senior secondary-level subjects.

- **ONE mathematics**
- **ONE first-language literature and composition**
- **THREE other acceptable subjects:**
  - Maximum of TWO natural sciences
  - Maximum of TWO social sciences or humanities
  - Maximum of ONE fine or performing art

**Post-secondary transfer students**

Please consult admissions.usask.ca for more information about applying to transfer to the University of Saskatchewan.

## ENGLISH LANGUAGE PROFICIENCY

Applicants whose first language is not English must present proof of English language proficiency.

### COMMON TERMS AND QUALIFICATIONS | MINIMUM SCORE REQUIRED
--- | ---
IELTS ACADEMIC*<br>International English Language Testing System | 6.5 overall band score with minimum individual scores of: Reading: 6 | Listening: 6 | Speaking: 6 | Writing: 6
TOEFL (INTERNET BASED)*<br>Test of English as a Foreign Language | 86 with minimum individual scores of: Reading: 19 | Listening: 19 | Speaking: 19 | Writing: 19
INTERNATIONAL BACCALAUREATE (IB)<br>English A1 or A2 Higher Level or English B Higher Level | 5 Completion of the IB Diploma Programme also meets the English language proficiency requirement for admission.
ADVANCED PLACEMENT (AP)<br>English | 4
COMPLETION OF HIGH SCHOOL (SECONDARY) OR POST-SECONDARY STUDIES IN ENGLISH | Years of full-time study in an approved English-medium secondary program
- At least 3 years of full-time study including Grades 10, 11, and 12, as well as successful completion of Grade 12 English Language Arts A30 and B30 (or equivalents)
- Students from overseas schools offering a Canadian education system curriculum in English require a minimum grade of 65% on their Grade 12 English course(s)
- At least 2.5 years of full-time study including Grades 11 and 12, as well as successful completion of Grade 12 English Language Arts A30 and B30 (or equivalents) with minimum final grades of 70%
- At least 2 years of full-time study including Grades 11 and 12, as well as successful completion of Grade 12 English Language Arts A30 and B30 (or equivalents) with minimum final grades of 80%
Years of full-time study in a recognized post-secondary institution where English is the official language of instruction and examination*<br>- Successful completion of at least one year of full-time study in a degree program<br>- Successful completion of a minimum two-year diploma from a recognized post-secondary institution in Canada<br>- Successful completion of a minimum three-year diploma from a recognized post-secondary institution outside of Canada<br>* The institution must declare English to be the only language of instruction and examination throughout the institution, not just in select departments.
UNIVERSITY OF SASKATCHEWAN LANGUAGE CENTRE | Successful completion of the highest level of English for Academic Purposes at the University of Saskatchewan Language Centre

*All scores must be from one exam date, not to be combined with other exam dates. Tests are valid for two years after the testing date. Scores must be valid (no more than two years old) at the beginning of the student's first term of registration in the undergraduate program.

If you are academically qualified for admission but do not meet the university’s English language proficiency requirement, you can qualify for joint admission by enrolling in the University of Saskatchewan Language Centre for English language study.

### Joint admission

Do you need to improve your English before starting your degree program? We offer joint admission to the English for Academic Purposes program at the University of Saskatchewan Language Centre and undergraduate programs in any of our six direct-entry colleges:

- AGRICULTURE AND BIORESOURCES
- ARTS AND SCIENCE
- EDUCATION
- EDWARDS SCHOOL OF BUSINESS
- ENGINEERING
- KINESIOLOGY
English for Academic Purposes

The University of Saskatchewan Language Centre’s English for Academic Purposes (EAP) program is designed for student success. You will develop language, cultural and academic skills that will give you an ADVANTAGE in your university studies, your career and your life.

The program has four levels. Each level is designed to build on existing skills and teach new language specifically to help you prepare for university.

ACADEMIC ADVANTAGE

The upper levels of the English for Academic Purposes program are designed to give you an academic advantage when you begin your university degree. This program is about more than learning English. It will prepare you linguistically, academically and culturally to succeed.

UNIVERSITY PREPARATION

In University Preparation, you will learn key language skills important for any university student:

- **Reading**: Learn how to read and understand academic articles
- **Listening**: Learn how to listen to lectures and take notes efficiently
- **Writing**: Learn how to write essays and exams
- **Speaking**: Learn how to deliver effective presentations
UNIVERSITY BRIDGING

In the final level of the English for Academic Purposes program, you will continue to develop your language skills through English classes while you apply those skills in a real university class that can be used for credit toward your University of Saskatchewan degree.

University class offerings may vary

Our University Bridging level offers you the best possible introduction to university. Here are some of the advantages of University Bridging:

1. You will have continual support from your University Bridging instructor, who attends your university class with you.
2. The lectures, textbooks and assignments from your university class are the basis of your English class instruction.
3. You can experience one university class while mastering important academic English skills.

“University Bridging reaches out a hand to guide you through the challenges of starting university and reveal the student you can become.”

L. KROL, M.Ed.
UNIVERSITY BRIDGING COORDINATOR AND INSTRUCTOR
PROGRAM DELIVERY

FACE-TO-FACE

The University of Saskatchewan Language Centre hosts students from countries around the world who attend classes at our campus in Saskatoon, Saskatchewan, Canada.

ONLINE

We have designed the English for Academic Purposes program for the online learning environment using state-of-the-art learning software.

Classes are offered online at specific times each day so you can learn together with your instructor and classmates. You can complete assignments and access learning resources outside of class to continue your learning independently with your teacher’s support.

PROGRAM FEATURES

STUDENT EXPERIENCE

TEAM

Our team is available to support you when you need it. Our Student Advisor will help you with questions about studies and life at the university.

LEARNING RESOURCES

You can access a library of additional resources to guide and support your learning, to learn both online and in-person.

CONNECTED TUTORIALS

Join your teacher and classmates in scheduled tutorials each week to continue your learning and build connections.

EVENTS

Socialize and engage with interesting people in our community, participate in Friday Student Lounges with students in all levels and join community outreach programs to learn about Canadian culture, campus and city events.
INTAKES AND DEADLINES

There are three terms and three intakes to the English for Academic Purposes program each year. Each term is 13 weeks long, and each level can be completed in one 13-week term.

**WINTER TERM**
(January to April)
Apply by November 15, 2021

**SPRING TERM**
(May to August)
Apply by March 15, 2022

**FALL TERM**
(September to December)
Apply by July 15, 2022

ENTRY REQUIREMENTS

<table>
<thead>
<tr>
<th>LEVEL</th>
<th>IELTS</th>
<th>TOEFL</th>

*International undergraduate tuition rates are assessed at 3.00 times the rate for Canadian citizens and permanent residents.*
Student housing

Our USask Residence is a community where students develop life-long relationships, and enjoy academic and peer support offered through the Residence Services. USask has four residence complexes that offer safe, welcoming and convenient undergraduate and graduate living accommodations, each designed to meet students’ diverse needs.

College Quarter
Modern, comfortable, fully furnished apartment-style units, shared with other undergraduate student residents. Located just a five-minute walk from USask main campus.

Voyageur Place
Traditional dormitory-style accommodations that include an "Unlimited Dining" meal plan through USask Marquis Culinary Centre. Located at the heart of campus, Voyageur Place offers a vibrant undergraduate community.

McEown Park
Apartment-style units with accommodation options for single occupants, couples and students with families. Located just a 10-minute walk from USask main campus.

Graduate House
Open air and modern apartment-style building offering studio, loft and two-bedroom shared accommodations to our graduate students, students in professional programs and upper-year undergraduate students. In-building athletic room and music room.

Residence rental rates include all utilities (electricity, water and heating), internet (with Wi-Fi) and laundry.

We prioritize the health and safety of our community in all our planning efforts moving forward with increased cleaning measures, readily available sanitization supplies, heightened awareness and educational programs to keep our students informed. We will continue to implement the best guidance possible for the health and safety of our residents. Find the latest information about Residence at livewithus.usask.ca.
HOMESTAY

Homestay may be available to students studying at the Language Centre. Live with a homestay family in Saskatoon and enjoy a safe, English-speaking environment where you can adapt to Canadian life and improve your language skills. Our host families come from many backgrounds, and they all offer you the opportunity to experience Canadian culture and find your home-away-from-home.

Homestay includes airport pick-up, your own private, furnished room, three meals per day, wireless internet, television access, all utilities and access to laundry facilities.
