The university
THE WORLD NEEDS

The University of Saskatchewan (USask) is one of Canada’s most historic and distinguished universities with an established legacy of excellence in research and education.

Established in 1907, USask has been breaking new ground in research since its earliest days, leading innovation in medical technology, agriculture and scientific endeavor.

We are known for our collaborative, interdisciplinary approaches to tackling some of the greatest global challenges of our era—water and food security, energy sustainability and combatting infectious disease.

Come join us in building the future.

beautiful SASKATOON

The University of Saskatchewan’s historic main campus is recognized as one of the most beautiful in the country, and our city is known as a hidden gem by those who visit and come to call it home.

Our campus is found at the heart of the vibrant city of Saskatoon, which has a growing population of more than 270,000 people.

Saskatoon is a welcoming city for newcomers and offers many opportunities to experience Canadian culture. We also celebrate cultures from around the world.

As the largest city in the province of Saskatchewan, Saskatoon offers the amenities of a large urban centre, along with the friendliness and accessibility of a smaller city.

Here, you can have a true Canadian experience in a city that is safe, affordable and student-friendly.
SASKATCHEWAN advantages

The benefits of living and studying in Canada are well-known, but there are additional advantages to choosing the province of Saskatchewan as your study destination.

HEALTH CARE
Free Saskatchewan government health insurance is available for full-time students with a valid study permit.

As a full-time undergraduate or graduate student, you also have access to extended health and dental benefits provided through your student association.

COST OF LIVING
Housing costs in Saskatchewan’s cities and communities, including Saskatoon, are lower than in most major cities in Canada. The costs of transportation are also low. If you choose to live off-campus, you can take advantage of the reasonably priced unlimited transit pass included in your student fees.

SASKATCHEWAN IMMIGRANT NOMINEE PROGRAM
Through the Saskatchewan Immigrant Nominee Program, the province invites residency applications from non-Canadians who want to make Saskatchewan their home. Successful applicants will be nominated to the federal government, so they can gain permanent residency in Canada. For more information, visit saskatchewan.ca/immigration.

QUALITY OF LIFE
Achieving balance between one’s work, family and social life is a part of Saskatchewan culture. There is always something for residents to do here, from visiting the world-class Remai Modern art gallery to dining at our award-winning restaurants. Festivals like WinterShines, Jazz Fest and the Fringe Theatre Festival are special opportunities to experience the best of our province’s and city’s culture.

GRADUATE RETENTION PROGRAM
The Graduate Retention Program provides Saskatchewan income tax credits of up to $20,000 over seven years for tuition fees paid by graduates of approved post-secondary programs who live in Saskatchewan. To be eligible, you must live and file an income tax return in Saskatchewan.

# Undergraduate admission requirements

## GRADUATION FROM HIGH SCHOOL OR SECONDARY-LEVEL STANDING
You can apply for early admission in the year you will graduate.

## ADMISSION AVERAGE
An admission average is calculated to determine whether you meet the minimum admission average requirement for programs with rolling admission or to determine your place in the ranking for programs with competitive ranking-based admission.

### High school (secondary school) students or graduates
An admission average is calculated using marks for five acceptable senior secondary-level subjects.

- ONE mathematics
- ONE first-language literature and composition
- THREE other acceptable subjects:
  - Maximum of TWO natural sciences
  - Maximum of TWO social sciences or humanities
  - Maximum of ONE fine or performing art

### Post-secondary transfer students
Please consult admissions.usask.ca for more information about applying to transfer to the University of Saskatchewan.

- Successful completion of U-Prep 2

*All scores must be from one exam date, not to be combined with other exam dates. Tests are valid for two years after the testing date. Scores must be valid (no more than two years old) at the beginning of the student's first term of registration in the undergraduate program.
English for academic purposes

When you apply for joint admission to an undergraduate degree program and to the University of Saskatchewan Language Centre, you can choose between two channels of English study: U-BRIDGE or U-PREP.

**U-BRIDGE**

In U-Bridge, you can take university classes and earn credit toward your degree while improving your English language proficiency. U-Bridge has two levels (U-Bridge 1 and U-Bridge 2), which include:

**AN ESL CLASS TO HELP YOU WITH:**
- Lecture note-taking
- Reading academic articles
- Writing term papers
- Giving presentations
- Working in groups

**A UNIVERSITY CLASS FOR CREDIT:**
- Your U-Bridge instructor attends the class with you.
- The textbook, lectures and assignments become the materials for language instruction.

“University is hard. When English is not your first language, it can be terrifying. U-Bridge reaches out a hand to guide you over the scary part and reveal the student you can become.”
