3. APPLICANT INFORMATION

Online application

Domestic student application (Canadian citizens and Permanent Residents)

The University of Saskatchewan (uSask) collects and creates information about students ("personal information") under the authority of the University of Saskatchewan Act and in accordance with the Local Accessory Provisions of Information and Protection of Privacy Act.

This information may be used for purposes of admission, registration, monitoring academic progress and other decisions on students' academic status, the administration of uSask and its programs and services, including services for students of Aboriginal ancestry. This may include contacting students to offer programs and services that may be of benefit to them.

uSask will also use the information for statistical reporting purposes and some of the information may be used or disclosed in accordance with the Act, and will be reported as required by federal or provincial authority.
