To assist the Western College of Veterinary Medicine in evaluating applicants, it is important that these ratings represent a consistent standard. After each trait to be evaluated, please mark the rating that most nearly represents your opinion. On each item, compare the candidate with a representative group that you have known during your professional career. If you feel that you lack sufficient knowledge to give a definite rating on any item, give your best estimate of his/her ability on that scale, or else check the box for "Inadequate Opportunity to Observe."

<u>Note:</u> In a group of 100 students with approximately the same amount of experience and training the candidate would rank:	Outstanding Top 10%	Above Average Next 20%	Average Next 20%	Below Average Lower 50%	Inadequate Opportunity to Observe
